TRAPSHOOTERS BREAK RECORDS

Dr. Woolfolk Barrow, of Lexington, Wins State Championship—B. Hisle Takes Challenge Cup Contest With 99 "His."

Trapshooting records for Kentucky were sent glimmering yesterday in both the Challenge Cup and State Championship races at the Fayette Gun Club, when Dr. Woolfolk Barrow, of Lexington, by scoring 99 won the State Championship from W. H. Hall, of Maysville. Ben Hisle missed but one of the hundred birds and won a leg on the Challenge Cup. Never before in the history of either event has a score of 99 been needed to win.

Ben Hisle was way out in front in the Challenge Cup event but needed 99 to beat H. S. Bonser, who finished with a 98. Dr. Barrow was never considered a contender for the championship, until he started "bustin' 'em right and left" in the event won by Hisle. The doctor scored 92 in this race.

The big race was a spirited contest from the start. Dr. Barrow, W. H. Hall, W. B. Allen, J. D. Gay, Ben Goff, J. N. Shropshire and C. B. Strother standing out from the rest after the half century mark had been passed in the "pull" call.

Dr. Barrow missed one bird in the fourth round, but after that he held a steady aim and a hawk eye, and that's the story. The victor was presented with the State Championship Cup.

W. H. Hall and W. B. Allen, with a score of 97; J. D. Gay and Ben Goff, with 96; and J. N. Shropshire and C. B. Strother, with 95, finished next to Dr. Barrow and all won prizes.

Woolfolk Henderson, of Lexington, was high gun for the two days of the tournament. Mr. Henderson missed six birds out of 40, beating all professionals as well as amateurs. The score sets a new mark for high gun in a Kentucky state event.

CHANGE IN C. & O. SUPERINTENDENTS

Announcement was made here Wednesday of the following changes in superintendents of the C. & O. railroad to be in effect immediately:

J. B. Harris was transferred from the Hinton division to the Ashland division.

Maysville is in the Ashland division.

EXECUTORS QUALIFY

The following business was transacted in the Mason County Court Wednesday:

Ferdinand Hechinger, named in the last will of David Hechinger, deceased, as executor, appeared in court and qualified as such with J. B. Durrett, William Trouts, Jr., and J. T. Barbour as sureties on his bond.

W. D. Cochran, named in the last will of David Hechinger, deceased, as executor, appeared in court and qualified as such with Horace J. Cochran, James H. Cochran, Robert A. Cochran and A. M. J. Cochran as sureties on his bond.

REV. NORTHCOTT CELEBRATES NINETY-FOURTH BIRTHDAY

Today, May 25, is the 94th birthday of the only living uncle of the editor, Rev. H. C. Northcott, who is passing the evening of his life at his home near Newport together with his aged wife, formerly Miss Hannah Lewis, they having been married about 70 years. May the Lord continue His blessing on this aged couple.—Flemingsburg Times-Democrat.

Rev. and Mrs. Northcott are well known in this city, he being a former pastor of the Third Street M. E. Church.

BOARD OF HEALTH ACTS

At a meeting of the Board of Health held in the City Council Chamber Wednesday afternoon a notice was issued to Mr. Sam King giving him one day in which to disinfect and put in a sanitary condition his property on East Second street which was the scene of the recent fire. Decayed eggs and chickens which had been in the fire were left on the premises and caused a very unpleasant smell. Officer Dudley Fizer served the notice on Mr. King.

BUY OAKLAND SIXES

Robert Clark of Fleming county and W. S. Tomlin of Brown county, Ohio, purchased Oakland Six touring cars from the Keith & Stephenson garage Wednesday. En route to his home Mr. Clark ran into a telephone pole but his machine was only slightly damaged.

The Maysville Street Railway Company now has its temporary switch and track in place on Bridge street and it will be used for the street cars to run over until the new track is concreted under in preparation for the brick street construction.

Among the farmers in this vicinity who have set out tobacco plants are Maurice McGraw, Adam Pabst and Clarence Thomas. The earliest setting in this section of the State is credited to William Yazel, who set an acre at Mt. Carmel on May 4.

Mr. Cornelius Schatzmann is critically ill at his home on West Second street. Mr. Ashland Hayes is filling his place as driver of the Adams Express Company's wagon during his absence.

HUNTINGTON, 6; MAYSVILLE, 2

Huntington, W. Va., May 24—Huntington bunched hits and won from Maysville 6 to 2. Harding for the locals, was wild, but pitched consistent ball with men on bases. Shephard was solved for four runs in the sixth inning. Score:

Maysville . . . 1 0 0 0 0 1 0 0—2 8 2
Huntington . . . 1 0 0 4 0 0 0 1—6 5 0

Summary: Two-base hits—Distel, 2; Jones. Sacrifice hits—Kelly, Timin, McDaniel. Sacrifice fly—Williams. Double plays—Harding to Ollom to Gibson; Shephard to Mueller to Kaiser. Struck out—By Harding 1. Bases on balls—Off Shephard, 1; off Harding 6. Wild pitch—Shephard. Hit batsmen—By Shephard, Midkiff, 2; Gibson. Time of game—1 hour and 25 minutes. Umpire—Tannehill.

BAND HAS NEW UNIFORMS

The Maysville band boys were out Wednesday night in their new uniforms for the first time. The uniforms are neat and dainty looking and add greatly to the appearance of the boys. A concert was given in front of the High School Theater after which the band played for Manager Triebel in the theater.

MEETING CONTINUES

Good Interest Shown in Yeuell Meetings at Growers Warehouse.

Then general interest taken in the Yeuell Meetings is such that these meetings will continue another week. It was first thought that the meetings would close at the end of the third week but this will not be the case. Instead of having the Bible School and morning church service in the Growers on next Sunday, these services will be held in the church building at the usual hours. The interest which many of the leading members of all churches in the city are taking in these services reveals the longing of the Christian people for a series of religious services which is not narrowed to the confines of one denomination but which has as its sweep of interest the good of the whole community.

People have been attending these meetings from the remote sections of Mason county and from Fleming, Lewis and Robertson counties. Evangelist Yeuell in his sermon spoke of the ministry of Jesus and the suffering and misunderstanding he endured because of that ministry. He showed that it was so with any minister or evangelist today who fearlessly denounced sin. The illustrated solo, "Where is My Wandering Beggar-Tonight" which was sung by Earl Yearsley was very impressive. Rev. J. M. Lital and Rev. Simpson were called on for prayers. B. S. Granis of Flemingsburg offered the closing prayer.

Subject of sermon tonight was not announced.

PROF. C. S. DALE

Elected Principal of High School at Meeting of Board of Education Wednesday Night—Other Business Transacted.

At a called meeting of the Board of Education held at the High School Building Wednesday night the resignation of Prof. C. C. Mance as principal was received and accepted. It was with regret that the Board gave up Mr. Mance as he has been one of the most capable men ever in the High School department.

Acting upon the suggestion of Prof. Mance and Superintendent W. J. Caplinger the Board voted unanimously for the election of Prof. C. S. Dale as the new principal. Mr. Dale has been a teacher in the High School for the past three years and is thoroughly familiar and prepared for the position.

Prof. Robert N. Hoeflich tendered his resignation as teacher of mathematics in the High School and same was accepted.

Miss Elsie B. Heller of Paris, a graduate of Kentucky State University was elected to a position in the High School department by the unanimous vote of the Board.

There are still several positions to be filled and they will be acted upon at the regular meeting of the Board on Wednesday night, June 13.

Dr. John Irvine and Mr. and Mrs. S. B. Hull and two children left Wednesday afternoon for Cincinnati where slight operations for throat trouble will be performed on the children.

HAVE A HEART!

Washington, May 23—A bill to prohibit transmission between states, or into the United States from a foreign country, by telegraph, telephone, express or otherwise, of race track or other gambling bets, odds, results or advertising, was reported favorably today by the House Interstate Commerce Committee. It would impose a penalty of two years imprisonment of \$1,000 fine or both for violations in the first instance, and make prison sentences mandatory for all subsequent offenses.

HAS COUNTER PROPOSAL

Washington, May 23—A tonnage tax plan to build up the American merchant marine, with prohibitive rates assessed against foreign built and owned merchantmen, is proposed in a bill introduced today by Senator Gallinger, minority leader, as a counter proposal to the Administration's ship purchase measure. A 10 per cent discriminating duty against imports in foreign bottoms also would be imposed to foster American shipping.

WHEN THE KIDNEYS FAIL

Maysville People Have Found That Ill Health Follows

Do you ever feel that you simply can't go any further—that you must have rest from that lame and aching back—relief from the constant, dead-tired feeling—freedom from those stabbing, darting pains? Likely your kidneys are worn and tired and need help. The kidneys work night and day, removing uric acid from the blood and other waste created by expenditure of strength and energy. Naturally a life of unusual activity doubles the duties of the kidneys and in time the strain generally tells. Doan's Kidney Pills have brought new strength to thousands of bad backs and quick relief to weakened kidneys, so users say. Let them do the same for you.

S. O. Duncan, blacksmith, Flemingsburg, Ky., says: "I had severe back-aches and my kidneys were out of order, their action being irregular. Hearing about Doan's Kidney Pills, I gave them a trial and was soon convinced of their merit. They strengthened my kidneys and back."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Duncan had. Foster-Milburn Co., Props., Buffalo, N. Y.

LANSING'S ILLNESS DELAYS THE TRANSMISSION OF MAIL NOTE TO GREAT BRITAIN

Washington, May 23—A completed draft of the new note to Great Britain, protesting against interference with neutral mails, was sent to the State Department today by President Wilson for transmission to London.

It probably will go forward tomorrow, when Secretary Lansing, who has been ill for several days, returns to his desk. The Secretary had planned to sign the note at his home so that it might be cabled tonight, but decided late this afternoon to wait until tomorrow.

The Greatest Rubber initiatives of the Age have been developed in GOODRICH Laboratories,—a group of buildings purposely isolated, and remote from the Factory

INTEGRITY—and the House —behind the Tire

THE greatest Word in the whole Lexicon of Commerce is NOT "Service!" It is "INTEGRITY!" Because, that term embodies Good-faith,—Dependability,—the *Intention* to play fair, at any cost, as well as good Service.

Its essence, so far as business is concerned, consists in living-up to the last letter of that Americanism,—*"The Square Deal."*

It demands from its practitioners not only a due respect for the Rights of Others (whether they be strong enough to enforce these Rights, or weak enough to be at the mercy of the strong) but goes *further*.

It implies a charitable attitude toward those well-meaning persons who see "Rainbows," and who cannot live up to promises they really *intended* to keep.

An old-fashioned Virtue is this "Business Integrity,"—sometimes crowded close to the Wall by that modern idolatry called "Business-Expediency."

But,—there being something MORE than Money, worth striving for, in Business-Expansion, (as well as Money) this old-fashioned Virtue lives on, thrives and flourishes, in many quarters, like the Folk-Songs of a Nation that never die.

May we here pay tribute to "BUSINESS-INTEGRITY," wherever it abides, and,—with all due modesty,—CLAIM it as the Watch-word which has ruled Goodrich Activities over 47 years of Rubber Manufacturing, Selling, and DELIVERING?

♦ ♦ ♦

"BUT,—does this Policy of Business-Integrity pay, in Dollars and Cents?" the Cynic may inquire.

From even that cold-blooded standpoint we may answer (to the growing youth of this country) YES!—it HAS paid even in material Success.

—Witness the Goodrich growth from a very small "Acorn" indeed, to the 90 Square ACRES of Floor Space in the largest Rubber Factory of the World,—at Akron,—requiring 15 Square ACRES of Window-Glass alone to light these Goodrich Factory buildings.

—Witness the Tire Output of 1915 which, if the Tires were placed flat on the ground in a row, would reach more than 1,400 Miles,—from New York City to Omaha,—although Tires are only one of the 267 lines of Rubber Goods made by Goodrich.

—Witness the present Staff of 18,147 People, who produce the 120,000,000 pounds of Rubber Goods, manufactured, marketed, and shipped, during the year, by Freight, from this Goodrich Factory, in addition to the 10,000,000 pounds manufactured and shipped by Express, from same Factory during same period.

Contrast this Goodrich Rubber Goods Output, with the total Imports of Crude Rubber into the entire United States, during 1915,—viz:—172,063,428 pounds,—and the total WORLD Consumption of Crude-Rubber for same year,—viz:—142,000 Tons, or 284,000,000 pounds!

Then, who shall question that the Goodrich Watch-word and Policy, of "INTEGRITY FIRST" pays, even in material Results.

—This, exclusive of the Good-will, Prestige, and Public Confidence that flows from 47 years consistent practice of such a Policy, which may well be worth as much more, in *personal satisfaction*, to each Goodrich Stockholder, each enthusiastic Officer, and each loyal Employee of the B. F. Goodrich Co.

But, "How does this Concern YOU, the Consumer?"—you now ask. It concerns you, first of all, as a *proof* that Square-dealing, Straight-thinking,—and Business-Integrity PAYS,—even in Coin of the Realm.

It concerns each Parent,—and the Son and Daughter of each Parent,—as a vivid demonstration of the fact that the modern god of "Expediency," is a *false* god,—and that all the brilliant feats, and dexterous manipulation of facts, which pass current as "Expediency" are *needless*, for permanent Success.

It concerns the Consumer of, or the Dealer in, Rubber Goods because he knows that, in dealing with a House of Integrity he can TRUST the Statements, the Products and Trade-Marks, of such a House, *implicitly*—can save Time and Trouble and can abandon that costly and unpleasant Watchfulness which is necessarily involved in buying anything under the old Law of Caveat Emptor, (let the Buyer beware).

♦ ♦ ♦

WHEN, therefore, the largest Rubber Factory in the World (with a 47 year Experience in Rubber-Working) and 47 years of Business-Integrity, Good-faith demonstration, and Square-dealing, TELLS you that Money can't buy BETTER Fabric Tires, at any price than Goodrich Fabric Tires at their very moderate "Fair List" price,—you can well AFFORD to believe it.

When they tell you that nothing but Business Integrity prevents their charging you prices as high as those charged for other Makes of Tires, of no better quality, you can rely upon this:—

The difference in price is then a REAL Saving. It is the Cash Value, to you, of dealing with a House which has made "Integrity" its Watch-word through 47 years of Rubber Manufacturing and Selling, and which has never yet sacrificed Principle to Profit, nor Good-faith to Expediency.

Then accept this SAVING which Goodrich Integrity brings to you every time you buy the best Fabric Tires in America, at the following "Fair List" prices:

Goodrich "Barefoot" Tires

LIGHT in weight, and close grained,—because relatively free from inert substances or "fillers" that give excess Weight to Rubber, at the expense of Liveliness, Springiness and Endurance. Goodrich Safety-tread Tires, of black "Barefoot" Rubber, are therefore Lively, Springy, Clingy, and Long-lived.

Through their high Pneumatic quality, they give "Pep" to Car-Action, while stretching out Mileage, per Dollar invested, in a way that sets Users thinking.

More than 200 different Makes and Brands of Auto Tires were made and sold in U. S. A. last year, 1915, to the total extent of about 12,000,000 Automobile Tires.

Of that 12,000,000 total Tires, the B. F. Goodrich Co. made and sold *one-fourth*.

Yet,—Tires are only one of the 267 different lines made by the Goodrich Rubber Factory.

This indicates why Goodrich Best-in-the-Market Fabric Tires can be, and are, sold to Consumers (via Dealers) at the lowest price in America per delivered Mile of Performance.

1913 " " " "	6,357

These Change-overs to Goodrich tell their own story to the thinking Truck Owner.

Goodrich Bicycle Tires

HERE, in America, the B. F. Goodrich Co. was the first and largest Maker of Pneumatic Bicycle Tires, developing, among other types, the famous "Thread-Fabric" Tire called the Palmer Bicycle Tire.

"Integrity" of Construction, and Square-Deal in Treatment of Consumers and Dealers, results in our holding this largest business in America on Bicycle Tires, as well as on Truck Tires,—and Automobile Tires.

CORYELL MAKES HIT WITH STRIKERS

The Washington City correspondent to the Courier-Journal has the following article in reference to Mr. Paul Coryell, a former Maysville young man, now of Washington:

"A young Kentuckian—his name is Paul Coryell, and Maysville is his home—who is a clerk in the Division of Publications, Department of Agriculture, has endeavored himself to the street car employees of the National Capital.

"During the recent street car strike here, Mr. Coryell, impressed with what he regarded as the just cause of grievance of the motormen, conductors and other street car employees, who struck for shorter hours and more pay, sent the following letter to the ringleaders of the strikers:

"Inclosed you will find \$1, the price of ten days' ride to work and back. I shall walk so long as your strike is on and shall be glad to give your union the price of two fares each day, to the end that justice may be done the working man in Washington."

"The Kentuckian's sympathetic letter was read at a mass meeting and was loudly applauded by the strikers.

"Mr. Coryell is now a welcome passenger on any street car operating in the District of Columbia and the employees of the street car companies—there are two here—that are acquainted with him, are not particularly whether the Kentuckian observes the pay-as-you-enter rule or not. If they had their way, the uniformed street car men would furnish him with an annual pass."

ESTATE OF HENRY GEORGE SMITH, Dec'd.

Smith, aged 37, drowned with wife. Left 3 children—all boys—and Estate of \$80,000. No other known relative. Court named a Guardian, a stranger, and Trustee of Estate, also stranger. As boys came of age their shares were paid them. No Trust Estate to protect them during their early years of business ignorance. One boy was swindled by a land scheme; dropped his all. Another boy "blew" his for fast living. The last lost on Wall Street his share. All could have been avoided by a Trust estate protecting the boys until they had learned the value of money.

May we tell you why this could not happen to ANY estate where we are Executor? We will be glad to advise you without charge. All consultations strictly confidential.
